we always looked very very carefully before we leaped. 'Sometimes of course,' she commented, 'it's all you can to do to get someone to notice you.' Pondering that a while we were distracted by loud feminine shrieks. 'You must stop at that motorway cafe! It's a matter of life or death!' Over coffees, she apologises: 'It's just that I love travelling on the motorway. It's like flying. You're in another world. You pass through the country but you don't belong to it.' Her shoulders hunch with glee. 'And the cafes are so romantic. Late at night like this they're full of pop groups and eloping lovers. It's a fantastic atmosphere. I love it.' Jeanine is easy to forgive. Daughter of a 'disgustingly middle class' family, her father is in wine, her mother in Luxembourg, 'but I've rejected all that.' She tried a Swiss finishing school but only stayed long enough to scrawl revolutionary slogans on her bedroom wall. 'I didn't believe a word of them. All I wanted was to be annoying. I think I succeeded.' She returned to a London flat, facing the prospect of secretarial college or oblivion, and settled for a trip to Italy with 'a mad Scots poet. We both hopped into the same taxi one day.' A fortnight later they

Sconvolgente provocazione di una studentessa alla finestra! *da Torino, Everardo Della Croce*

L'italiano è un condor o un fringuello?

Ventitré anni ma non li dimostra. Non tanto per l'aspetto fisico (sembra anche più giovane) quanto per il coraggio e la faccia tosta che ha manifestato in quello che è stato definito "il più fulminante sexy show dell'anno"! L'episodio è scaturito da una banale scommessa tra amiche. Alcune sostenevano che c'è una escalation pericolosa di violenze sessuali contro e donne, che il maschio è un prevaricatore della fragilità femminile, un approfittatore della sua potenza virile, che assoggetta, schiavizza e impone la sua prepotenza alla donna in 99 casi su 100. Daniela, al contrario, ribatteva che quei calcoli erano solo frutto dell'informazione, delle insinuazioni morbose del mezzo televisivo e telematico.

Come affrontare il problema

"Siccome - sosteneva a spada tratta - ora tutti possiamo essere a conoscenza di tutto, la tecnologia ci permette di entrare nelle case degli altri per soddisfare l'innata voluttà d'ambo i sessi, di curiosare morbosamente tra i panni puliti e quelli sporchi del prossimo. Quindi, tirando le somme e facendo una media non è affatto vero che oggi si verificano più crimini sessuali di una volta. E' vero, invece, che ne veniamo a conoscenza più facilmente e con più immediatezza. E' come se ognuno di noi fosse fornito di uno speciale paio d'occhiali a raggi X che ci permette di spogliare gli altri senza muovere un dito." Daniela rilanciava così il famoso

When she finally revealed the "naked truth", the head of Charlie's cock began to pulse with excitement... "I never thought you'd take me seriously!" he commented happily... "I've never seen such a beautiful quim...!"

Nun, sie hatte es selbst kaum erwarten können, ihm die nackte Wahrheit zu zeigen - endlich war es soweit. Charlies Stab wurde sofort einen Zentimeter länger, so kam's ihr jedenfalls vor. »Alle Achtung!« sagte Charlie, »du verstehst Winke!«

«Ma parole...» s'extasia le garçon, ébahi, quand il vit la «vérité toute nue», je sens que je vais passer toute une nuit sur ce 'Mont Chauve', ha-ha-ha!» - «J'aime te faire plaisir, mon chéri, et ça me fait plaisir à moi aussi!» répondit Freda...

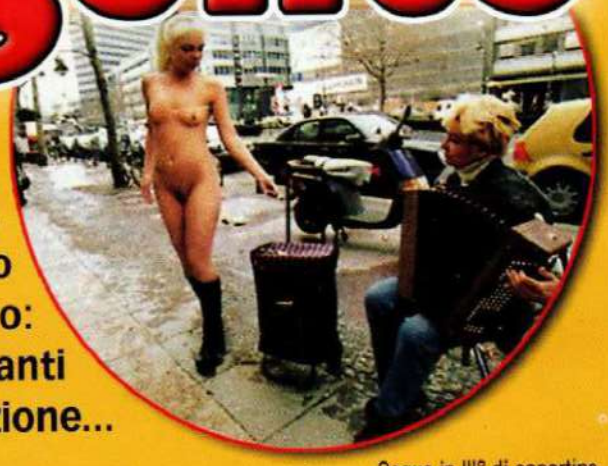
Tutta nuda fra la gente

Oltraggio al pudore in mezzo alla strada... Ma perché?



Jessika è il suo nome, 24 i suoi anni, commessa la sua professione. Ad un tratto appare senza vestiti per la strada. Il motivo: protestare a suo modo contro i G.8! E i passanti cosa ne pensano? Ne abbiamo testato la reazione...
